

Health and Wellbeing Programme of Study – Alderwood Academy

Traded Pathway

PE and Wellbeing PROGRAMME OF STUDY	
KS3	<p>Pupils should build on and embed the physical development and skills learned in key stages 1 and 2, become more competent, confident and expert in their techniques, and apply them across different sports and physical activities. They should understand what makes a performance effective and how to apply these principles to their own and others’ work. They should develop the confidence and interest to get involved in exercise, sports and activities out of school and in later life and understand and apply the long-term health benefits of physical activity. Pupils should be taught to:</p> <ul style="list-style-type: none"> - use a range of tactics and strategies to overcome opponents in direct competition through team and individual games [for example, badminton, basketball, cricket, football, hockey, netball, rounders, rugby and tennis] - develop their technique and improve their performance in other competitive sports [for example, athletics and gymnastics] - perform dances using advanced dance techniques within a range of dance styles and forms - take part in outdoor and adventurous activities which present intellectual and physical challenges and be encouraged to work in a team, building on trust and developing skills to solve problems, either individually or as a group - analyse their performances compared to previous ones and demonstrate improvement to achieve their personal best - take part in competitive sports and activities outside school through community links or sports clubs.
Subsequent Learning - KS4	<p>Pupils should tackle complex and demanding physical activities. They should get involved in a range of activities that develops personal fitness and promotes an active, healthy lifestyle. Pupils should be taught to:</p>

Health and Wellbeing Programme of Study – Alderwood Academy Traded Pathway

	<ul style="list-style-type: none"> - use and develop a variety of tactics and strategies to overcome opponents in team and individual games [for example, badminton, basketball, cricket, football, hockey, netball, rounders, rugby and tennis] - develop their technique and improve their performance in other competitive sports, [for example, athletics and gymnastics], or other physical activities [for example, dance] - take part in further outdoor and adventurous activities in a range of environments which present intellectual and physical challenges, and which encourage pupils to work in a team, building on trust and developing skills to solve problems, either individually or as a group - evaluate their performances compared to previous ones and demonstrate improvement across a range of physical activities to achieve their personal best - continue to take part regularly in competitive sports and activities outside school through community links or sports clubs.
<p>Area of Study: Movement</p>	<p>Develop their technique and improve their performance in other competitive sports [for example, athletics and gymnastics], or other physical activities.</p> <p>This area of study will be covered through Health and fitness. Pupils should tackle complex and demanding physical activities.</p>
<p>Area of Study: Using skills, techniques</p>	<p>Use and develop a variety of tactics and strategies to overcome opponents in team and individual games [for example, badminton, basketball, cricket, football, hockey, netball, and tennis]</p> <p>This area of study will be covered through individual and team games. Westbridge will choose games appropriate to their cohort. This may be delivered by outside agencies if appropriate. Pupils will continue to become more</p>

Health and Wellbeing Programme of Study – Alderwood Academy Traded Pathway

	<p>competent, confident and expert in their techniques and apply them across different sports and physical activities. In addition, develop their technique and improve their performance in other competitive sports.</p>
