Meaning Purpose and Truth</li> <li>6. Values and Commitments.</li> </ol> <p>Within these lessons, students will be taught about the following belief systems: Christianity, Islam, Hinduism, Judaism, Sikhism and Humanism. There is a focused coverage on Christianity.</p>   |  |   |   |
| <b>KS4</b>   | <p>Whilst students will be able to show their understanding of key themes through the application of teachings from religion and beliefs, there is also a teaching focus on the practical element of analysis within philosophical thinking and debate. These lessons provide thought-provoking questions to allow students to challenge their own structures of belief and support them in their composition of well-balanced and organised points of view on key issues. Students will become more familiar with sources of wisdom and authority including scripture and/or sacred texts and will be able to reference these in arguments related to the themes listed above.</p> |  |   |   |
