Good News Stories:

We continue to see a good set of results from English and Maths by using GCSE, Functional skills and entry level assessments to meet the needs of our students. One student completed the English literature examination which is a new accreditation for our centre. The Art results continue to be positive and the PWL course allowed students to gain accreditation for the work they completed in PSHE. Westbridge also delivered the AQA Extended Project Qualification(EPQ) for the first time and one student achieved a Grade C on the Level 2 course. Three students gained BTEC Level 1 accreditation in Construction at Eastern Region Training.

Destinations:

With the continued support of Westbridge staff and TRFs all Year 11 have been offered a placement barring one. Four students have been offered apprenticeships, seven at college, four training and one at work.
