| APPENDIX – RAEDWALD TRUST ACADEMY BUSINESS CHARGE CARD [“THE CARD”] CARDHOLDER CONSENT FORM | 6 |

1. Introduction

The C.E.O. has approved the use of the Business Charge Card and these procedures will be included in the Financial Management Policy as an appendix pending the policy being updated and approved by the relevant committee/trust board (8th January 2019)

From time to time the academy may be offered an opportunity to purchase goods or arrange for services for the academy from companies that shall not invoice but shall only accept a direct payment. In order to make use of these Best Value offers the academy holds a Business Charge Card. The C.E.O. will ensure that there is budgetary provision for all purchases and that there is sufficient balances available in the bank to cover the expenditure.

The primary method of payment remains invoicing and this shall generally be used in preference to card purchases where such is offered by the supplier.

The C.E.O. may authorise any one or more of the following to be a cardholder: Headteacher, Deputy Headteacher, Senior teacher.

The Business Charge Card shall be issued by Lloyds Bank, the academy's bankers. Each card shall be stored in one of the academy safes when not in use.

The PIN number for each card shall be known only by the cardholder and not disclosed to anyone else or written down.

In the event of loss of the pin number the bank will be able to provide the cardholders only with the information.

Should the card be lost or stolen the loss shall be reported by the cardholder to the issuing bank, the police, the Trust Business Manager and the C.E.O. immediately.

Should fraud or misuse be suspected, the bank should be informed immediately, so that the appropriate action can be taken.

The Business Charge Card shall have a spending limit of £3,000 controlled by the bank (£3,000 limit on each card).

The Business Charge Card balance shall be settled in full automatically each month by direct debit thereby avoiding interest charges.

The Business Charge Card transaction should be entered in the accounts as soon as possible with the Business Charge Card authorisation number, to ensure the completeness of the accounting records & ready to be reconciled when the bank statement reaches the academy.

All receipts shall be authorised by either the Headteacher, Chair of Governors or a designated person.

The cards shall not be used for personal expenditure under any circumstances.
Cash withdrawals are not permitted.

All authorised cardholders shall sign to accept that they have personal responsibility for transactions on “their” card which are not conducted with the approval of the academy in accordance with this policy. Refer to example Consent Form below.

Cardholders shall also authorise the academy to recover the cost of any unauthorised transactions and where reimbursement is not received then the academy is authorised to make a salary deduction for the unauthorised amount.

Cardholders shall be made aware of the action to take in the event of a card being stolen, lost or missing.

Separation of duties is fulfilled by the following:

- If staff require goods via the internet they must liaise with the Finance Officer to place the order on line providing they have sufficient budgetary provision and get the Headteacher or the deputy to authorise the purchase.
- The Finance Officer authorises the purchase order and the use of the card offsite.
- Cardholder makes purchase.
- The Finance Officer records expenditure on the academy’s accounting system.
- The Headteacher authorises receipt of transaction submitted by cardholder
- Finance Officer to reconcile direct debit on bank account statement against Business Charge Card statement; or the debit entry on the bank statement created via use of the Business Charge Card.

2. Purchases under £200

- May be off-site.
- When using the Business Charge Card the money will be taken from the bank account once the purchase is complete although the goods have not been received.
- A purchase order shall be completed promptly and must be given to the Finance Officer for authorisation.
- The Finance Officer enters the official order onto the Accounting System and will confirm that there is a sufficient cash balance at the bank to cover the expenditure.
- Print off the order confirmation immediately which must be coded and authorised and posted as a direct payment onto the accounting system.
- A VAT (if applicable) receipt must be obtained.
- Cardholder must present the receipt for goods/service to the Office Manager.
- A copy of the purchase order must be given to the budget holder.
- Purchasing records must allow correct coding in accounts.

3. Purchases over £200

- Must be ordered on the academy premises
- Telephone orders are not permitted.
- The official order is to be signed by the authorised official signatory. The Finance Officer enters the official order onto the Accounting System and will confirm that there is a sufficient cash balance at the bank to cover the expenditure.
- All orders must be delivered to the academy address.
- If online ordering using the security code the cardholder must have a purchase order signed in advance by the Finance Officer.
- A VAT receipt must be obtained
- Must have record of receipt of goods/service at academy, i.e. delivery note.
- The Finance Officer will de-commit the official order and enter the expenditure onto the accounting system to ensure that the academy's cash flow is correctly monitored.
