The Raedwald Trust is an equal opportunities employer. All pay related decisions are made in accordance with relevant equalities legislation and appropriate consideration is given where staff have been absent for long periods, for example due to sickness or maternity leave.

1. INTRODUCTION

This policy sets out the Trust's Policy in relation to pay. It takes into account the School Teachers' Pay and Conditions Document (STPCD), its accompanying statutory guidance and other relevant national pay agreements.

The Trust's objective is to deliver a Pay Policy that:

- a. is fair and transparent
- b. is applied consistently across the Trust
- c. rewards staff for outstanding contributions to School Improvement

All Performance Management Reviews and Training and Development (CPD) programmes underpin decisions on pay and progression.

All Performance Management Reviews are carried out in accordance with the Trust's Performance Management Policy.

QTS, Green Book staff and Head of School PMRs completed

Applications to Upper Pay Scale considered and decided

Cost of Living pay decision made

Statutory Deadlines

31st December: completion of PMRs for Head Teachers and CEO

PMRs are an ongoing process. PM reviewers are expected to keep objectives under review throughout the year. PR reviewers should meet throughout the year to encourage and facilitate this ongoing process.

All staff will receive a salary statement annually.

The salary and pay range may be subject to review where there are significant changes in the post's responsibilities or duties.

Each year, the Trust Board will decide whether or not to make a cost of living pay award (for support staff in April and for teachers in September) ensuring the statutory minimum ranges for teachers are applied.

4. PAY SCALES

The Trust's pay scales and pay ranges for teachers and support staff are set out in Annex B

Unqualified teachers on a recognized route into teaching programme may, exceptionally, be paid on the Main Pay Scale having regard to their skills, qualifications and experience.

5. PAY ON APPOINTMENT

Starting salaries of all staff are dedicated in accordance with section 2 above, having regard to the Trust's staff structure, pay ranges, qualifications, experience, previous salary etc.

6. PAY PROGRESSION BASED ON PERFORMANCE

Teachers

The Trust expects all teachers to perform at the highest possible level and to continue to improve their professional practice year on year in line with Annex C. Performance Management objectives will be progressive and developmental, thereby ensuring that outstanding performance is rewarded and that consistently good and outstanding teachers have the opportunity over a number of years to progress the top of their respective pay range in line with Annex D.

Consideration will be given to factors beyond the teachers' control which have impacted on their ability to meet objectives.

Where a teacher has been absent for some or all of the reporting period, an assessment will be based on performance during any periods of attendance and/or prior performance.

In the case of NQTs, whose appraisal arrangements are different, pay decisions will be informed by a successful completion of the statutory induction process.

Decision to progress: Where all performance pay progression criteria and PM objectives are met, the teacher will move up to the next performance pay progression point. Where performance is considered to be exceptional, the Board may move the employee up more than one progression point.

Discretion will be applied where not all progression criteria or PM objectives have been fully met, but significant progress has been made.

Decision not to progress: Where the performance pay progression criteria and PM objectives are not fully met, the teacher will not receive performance pay progression

A decision not to award performance pay progression may be made without recourse to capability procedures. However, teachers who fail to meet the minimum teaching standards and/or who consistently fail to improve their practice or to sustain the expected level of performance for their pay level, may be subject to these procedures.

Where a decision not to progress is made, the teacher will be supported through the PMR process to improve their performance.

Support Staff

Support staff are paid in accordance with their contract of employment.

Annual pay progression is subject to performance against PMR objectives. The principles are set out above, in relation to teachers, also apply to support staff.

7. MOVEMENT TO THE CONSULTANT PAY RANGE (UPPER PAY RANGE)

A Raedwald Trust Senior Teacher may apply for progression to the Consultant Pay Range (UPR). It will be the responsibility of the teacher to decide whether or not they wish to submit an application.

Applications must:

- be submitted on the application form at Annex D and,
- be submitted to the Head Teacher by 31st October in the year before the teacher's next PMR

Consideration will be given to accepting late applications where individual circumstances (for example absence) prevent this deadline being met

An application will be considered by the Head Teacher who will make a recommendation to the HEG.

The criteria for a successful application are:

- the teacher is competent in all elements of the teaching standards; and,
- the teacher's achievements and contribution to the academy are substantial and sustained.

In the Trust this means that the teacher has:

- consistently demonstrated that they meet all teaching standards, both in terms of teaching and personal and professional conduct, over a sustained period;
- been assessed as meeting their performance management objectives over a sustained period

and in addition that

- teaching has been rated as outstanding overall, with some outstanding, over a sustained period;
- the teacher has demonstrated over a sustained period an ability to support pupils to exceed expected outcome milestones
- the teacher has consistently taken responsibility for identifying and meeting their professional development needs and used their learning to improve their own practice and pupil's learning;

- the teacher has demonstrated that they have made an impact on the academy beyond their own class/groups over a sustained period. This may include:
 - demonstrating an ability to coach, mentor, advise and demonstrate best practice to other teachers to enable them to improve their teaching practice;
 - contributing to policy and practice which has improved which has improved teaching and learning across the academy

Sustained means maintained continuously over a period of at least 2 school years. It is normally expected that this will include at least two years at the Trust, although discretion may be exercised where there is a clear and compelling evidence of consistent performance against the criteria at the teacher's previous school/academy.

Performance over a lesser period may be taken into account where a teacher has been authorised as absent for some of the relevant period.

The Assessment

The Head Teacher will base their recommendation of evidence provided as part of the teacher's PMR.

A teacher who has not been at the school for all of the 3 year assessment period, should provide supporting evidence from their previous employment.

Procedure

Successful applicants will progress to the Consultant Teacher (Upper Pay Scale) each year.

Unsuccessful applicants will receive feedback from the Head Teacher, including advice and support on how to develop their skills further and how this might lead to a successful future application.

Unsuccessful applicants may appeal against Trust Board decision.

8. APPEALS PROCEDURE

Pay recommendations are discussed as part of the annual PMR meeting. A member of staff may make representations about the pay recommendation contained in their PMR report, and these will be taken into account by the Trust Board before a pay decision is made. The same principle applies to applications to the Consultant Teacher (Upper Pay Scale).

Staff may appeal against the Trust Board's decision. An appeal must be in writing and submitted within 10 working days of having received the Trust's decision.

An appeal may be made on any of the following grounds:

- Failure to have a proper regard to relevant statutory guidance;
- Failure to take proper account of relevant evidence;
- Failure to disregard irrelevant or inaccurate evidence; or
- Unlawful discrimination or bias

Appeals are considered by a Pay Appeals Committee. The Committee's membership and terms of reference, and appeals procedures, are at Annex E.

Appellants have a right to make representation by being accompanied by a work colleague or a friend.

Appeal hearings will take place normally within 20 working days of receipt of the appeal. The Committee may invite the appellant's PM reviewer to attend to a hearing.

The decision of the Pay Appeals Committee will be notified in writing and, where the appeal is rejected, this will include the reasons for the decision. The decision of the Pay Appeals Committee is final and there is no recourse to the staff grievance procedure.

9. PART TIME TEACHERS

Teachers who work less than a fully day or week are deemed to be part time. The proportion of full time is calculated according to the directed time calculator published in Annex F.

10. SHORT NOTICE/SUPPLY TEACHERS

The Trust's policy is not to employ agency supply teachers. If an agency supply teacher is, as a last resort, employed his or her pay will be determined by the CEO.

11. RAEDWALD TRUST AWARDS

Any member of staff may be given an additional Raedwald Trust Award of £500 - £2500 a year. Any award in excess of £2500 will be referred to the Trust Board. All Raedwald Trust Awards are paid for a fixed period, no more than 12 months, and will be reviewed by the CEO and Trust Board as part of the annual Performance Management Process.

Raedwald Trust Awards are linked to the delivery of defined, time-limited responsibilities that will support school improvement across the Trust, for example in relation to emerging leadership roles, specified academy improvement outcomes, SEND and acting arrangements etc.

Raedwald Trust Award recommendations are made to the Trust Board through the HEG. As part of this process, a recommendation will take into account the qualifications, skills, experience and potential of staff across the Trust. Raedwald Trust Awards play an important role in the Trust's succession planning.

The amount of each Raedwald Trust Award will reflect the context, nature and complexity of the responsibility to which it relates.

Raedwald Trust Awards may, from time to time, be opened up to an internal application process.

Any Raedwald Trust Award will be confirmed in writing, including the nature of the Award responsibilities and objectives.

12. PENSIONS

All salaries and payments made under this policy are subject to national pensions rules.

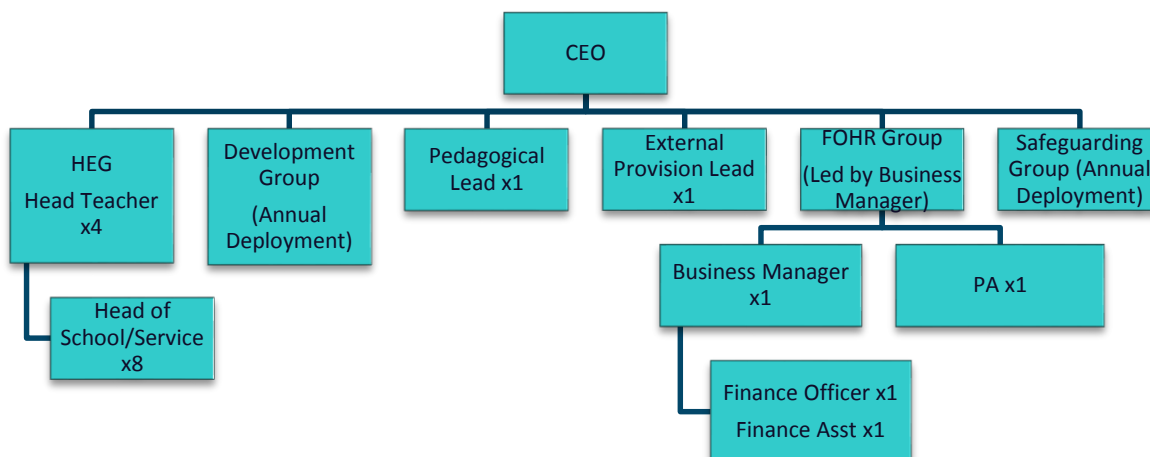

13. STAFFING BUDGET

Pay decisions impact on academy budgets. The Trust endeavours to ensure that sufficient funding is available to sustain performance pay progression at all levels.

14. RETENTION AND RECRUITMENT ALLOWANCE

This policy offers provision for a Recruitment and Retention allowance to be applied in exceptional circumstances. Any Recruitment and Retention Allowance will fall within Trust Board agreed parameters and will be confirmed in writing by the Chair of the Trust Board.
