

22 May 2020

Dear parent/carer

Government figures indicate that the number of infections with Coronavirus is now reducing. As a result, the government has asked schools to plan a re-opening. Across the Raedwald Trust, this will involve working with you as parents and carers to support your child 'coming back'.

From June 1st, we will contact you individually to plan what this might look like. For some of our children we will be planning part-time onsite programmes, others will continue to work mostly at home. As we start this process, we will continue to monitor the situation and change plans if we need to.

We want to reassure you that, across all Raedwald Trust sites, schools and provisions we will be;

- altering how we work
- changing how we use the buildings and classrooms,
- putting in place risk reduction processes so that we can keep children and staff as far as we possibly can.

Because we are going to be doing things differently, we will want to make sure you are fully informed of each of our new procedures. During the first week back after half term, from June 1st, we will be in touch with you to talk all this through.

We cannot thank you enough for your support during this very difficult time. We are absolutely committed to providing the best possible opportunities for your child. We are also absolutely committed to supporting you where we can. Please be confident that our continued and very real commitment to you, your child, and our whole Trust community, is unfaltering.

We look forward to working with you as we take this next step. We hope that you and your family stay well and safe

With my very best wishes

Angela Ransby
