The Raedwald Trust is an equal opportunities employer. All pay related decisions are made in accordance with relevant equalities legislation and appropriate consideration is given where staff have been absent for long periods, for example due to sickness or maternity leave.

1. INTRODUCTION

This policy sets out the Trust’s Policy in relation to pay. It takes into account the School Teachers’ Pay and Conditions Document (STPCD), its accompanying statutory guidance and other relevant national pay agreements.

The Trust’s objective is to deliver a Pay Policy that:

- a. is fair and transparent
- b. is applied consistently across the Trust
- c. is integral with professional development opportunities
- d. rewards staff for outstanding contributions to School Improvement
- e. is affordable

The policy is renewed annually. In the event of significant change, consultation with staff and the recognised trade unions is undertaken.

2. ROLES AND RESPONSIBILITIES

Pay decisions are made as follows:

	Starting Salary / Pay Range	Progression
CEO	Trust Board	Trust Board
Head Teacher	CEO	Trust Board
Teachers on Leadership Scale	CEO	Trust Board
Teachers	CEO	Trust Board
Support Staff	CEO	Trust Board

In exercising its functions regarding pay and progression, the Trust Board will take into account advice and recommendations provided by the Head Teacher’s Executive Group (HEG).

All Performance Management Reviews and Training and Development (Readwald Trust Professional Development Modules) programmes underpin decisions on pay and progression.

Performance Management objectives are internally moderated across the Trust and externally moderated with the Orwell MAT Teaching School before being presented to the Trust Board to ensure consistent and fair pay decisions.

Importantly, Raedwald Trust PMRs are conducted through the Raedwald Trust Professional Development modules (refer to full programme available on the trust Professional Development area of the Staff Launch Pad). In summary, reviewers are allocated according to experience and seniority rather than by your day to day line manager. All staff will receive a salary statement annually.

The salary and pay range may be subject to review where there are significant changes in the post's responsibilities or duties. Each year, the Trust Board will decide whether or not to make a cost of living pay award (for support staff in April and for teachers in September) ensuring the statutory minimum ranges for teachers are applied.

4. PAY SCALES

The Trust's pay scales and pay ranges for teachers and support staff are set out in Annex B

Unqualified teachers on a recognised route into teaching programme may, exceptionally, be paid on the Main Pay Scale having regard to their skills, qualifications and experience.

5. PAY ON APPOINTMENT

Starting salaries of all staff are dedicated in accordance with section 2 above, having regard to the Trust's staff structure, pay ranges, qualifications, experience, previous salary etc.

6. PAY PROGRESSION BASED ON PERFORMANCE

Teachers

The Trust expects all teachers to perform at the highest possible level and to continue to improve their professional practice year on year in line with Annex C. Performance Management objectives will be progressive and developmental, thereby ensuring that outstanding performance is rewarded and that consistently good and outstanding teachers have the opportunity over a number of years to progress the top of their respective pay range in line with Annex D.

Consideration will be given to factors beyond the teachers' control which have impacted on their ability to meet objectives.

Where a teacher has been absent for some or all of the reporting period, an assessment will be based on performance during any periods of attendance and/or prior performance.

In the case of NQTs pay decisions will be informed by a successful completion of the statutory induction process and the RT Professional Development Modules

Decision to progress: Where all performance pay progression criteria and PM objectives are met, the teacher will move up to the next performance pay progression point. Where performance is considered to be exceptional, the Board may move the employee up more than one progression point.

Discretion will be applied where not all progression criteria or PM objectives have been fully met, but significant progress has been made.

Decision not to progress: Where the performance pay progression criteria and PM objectives are not fully met, the teacher will not receive performance pay progression

A decision not to award performance pay progression may be made without recourse to capability procedures. However, teachers who fail to meet the minimum teaching standards and/or who consistently fail to improve their practice or to sustain the expected level of performance for their pay level, may be subject to these procedures.

Where a decision not to progress is made, the teacher will be supported through the PMR process to improve their performance.

Support Staff

Support staff are paid in accordance with their contract of employment.

Annual pay progression is subject to performance against PMR objectives. The principles are set out above, in relation to teachers, also apply to support staff.

7. MOVEMENT TO AND WITHIN THE CONSULTANT PAY RANGE (UPPER PAY RANGE)

A Raedwald Trust Senior Teacher may apply for progression to the Consultant Pay Range (UPR). It will be the responsibility of the teacher to decide whether or not they wish to submit an application.

Applications must:

- be submitted on the application form at Annex D and,
- be submitted to the Head Teacher by 31st October in the year before the teacher's next PMR

Consideration will be given to accepting late applications where individual circumstances (for example absence) prevent this deadline being met

An application will be considered by the Head Teacher who will make a recommendation to the HEG.

The criteria for a successful application are:

- the teacher is competent in all elements of the teaching standards; and,
- the teacher's achievements and contributions are substantial and sustained
- the teacher has successfully achieved the milestone indicated in the respective professional development module

In the Trust this means that the teacher has:

- consistently demonstrated that they meet all teaching standards, both in terms of teaching and personal and professional conduct, over a sustained period;
- been assessed as meeting their performance management objectives over a sustained period

and in addition that

- teaching has been rated as outstanding overall, with some outstanding, over a sustained period;
- the teacher has demonstrated over a sustained period an ability to support pupils to exceed expected progress milestones
- the teacher has consistently taken responsibility for identifying and meeting their professional development needs and used their learning to improve their own practice and pupil's learning;
- the teacher has demonstrated that they have made an impact on the academy beyond their own class/groups over a sustained period. This may include:
 - demonstrating an ability to coach, mentor, advise and demonstrate best practice to other teachers to enable them to improve their teaching practice;
 - contributing to policy and practice which has improved which has improved teaching and learning across the academy

Sustained means maintained continuously over a period of at least 2 school years. It is normally expected that this will include at least two years at the trust, although discretion may be exercised where there is a clear and compelling evidence of consistent performance against the criteria at the teacher's previous school/academy.

Performance over a lesser period may be taken into account where a teacher has been authorised as absent for some of the relevant period.

The Assessment

The Head Teacher will base their recommendation of evidence provided as part of the teacher's PMR.

A teacher who has not been at the school for all of the 3 year assessment period, should provide supporting evidence from their previous employment.

Procedure

Successful applicants will progress to the Consultant Teacher (Upper Pay Scale) each year.

Unsuccessful applicants will receive feedback from the Head Teacher, including advice and support on how to develop their skills further and how this might lead to a successful future application.

Unsuccessful applicants may appeal against Trust Board decision.

8. APPEALS PROCEDURE

Pay recommendations are discussed as part of the annual PMR meeting. A member of staff may make representations about the pay recommendation contained in their PMR report, and these will

be taken into account by the Trust Board before a pay decision is made. The same principle applies to applications to the Consultant Teacher (Upper Pay Scale).

Staff may appeal against the Trust Board's decision. An appeal must be in writing and submitted within 10 working days of having received the Trust's decision.

An appeal may be made on any of the following grounds:

- Failure to have a proper regard to relevant statutory guidance;
- Failure to take proper account of relevant evidence;
- Failure to disregard irrelevant or inaccurate evidence; or
- Unlawful discrimination or bias

Appeals are considered by a Pay Appeals Committee. The Committee's membership and terms of reference, and appeals procedures, are at Annex E.

Appellants have a right to make representation by being accompanied by a work colleague or a friend.

Appeal hearings will take place normally within 20 working days of receipt of the appeal. The Committee may invite the appellant's PM reviewer to attend to a hearing.

The decision of the Pay Appeals Committee will be notified in writing and, where the appeal is rejected, this will include the reasons for the decision. The decision of the Pay Appeals Committee is final and there is no recourse to the staff grievance procedure.

9. PART TIME TEACHERS

Teachers who work less than a fully day or week are deemed to be part time. The proportion of full time is calculated according to the directed time calculator published in Annex F.

10. SHORT NOTICE/SUPPLY TEACHERS

The Trust's policy is not to employ agency supply teachers. If an agency supply teacher is, as a last resort, employed his or her pay will be determined by the CEO.

11. RAEDWALD TRUST AWARDS

Any member of staff may be given an additional Raedwald Trust Award of £500 - £2500 a year. Any award in excess of £2500 will be referred to the Trust Board. All Raedwald Trust Awards are paid for a fixed period, no more than 12 months, and will be reviewed by the CEO and Trust Board as part of the annual Performance Management Process.

Raedwald Trust Awards are linked to the delivery of defined, time-limited responsibilities that will support school improvement across the Trust, for example in relation to emerging leadership roles, specified academy improvement outcomes, SEND and acting arrangements etc.

Raedwald Trust Award recommendations are made to the Trust Board through the HEG. As part of this process, a recommendation will take into account the qualifications, skills, experience and

potential of staff across the Trust. Raedwald Trust Awards play an important role in the Trust's succession planning.

The amount of each Raedwald Trust Award will reflect the context, nature and complexity of the responsibility to which it relates.

Raedwald Trust Awards may, from time to time, be opened up to an internal application process.

Any Raedwald Trust Award will be confirmed in writing, including the nature of the Award responsibilities and objectives.

12. ADDITIONAL PAYMENTS FOR TEACHERS

The relevant body may make such payments as it sees fit to a teacher, other than a Head Teacher, in respect of:

- a) continuing professional development undertaken outside the school day;
- b) activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- c) participation in out-of-school hours learning activity agreed between the teacher and the headteacher;
- d) additional responsibilities and activities due to, or in respect of, the provision of services relating to the raising of educational standards to one or more additional schools.

13. PENSIONS

All salaries and payments made under this policy are subject to national pensions rules.

14. STAFFING BUDGET

Pay decisions impact on academy budgets. The Trust endeavours to ensure that sufficient funding is available to sustain performance pay progression at all levels.

15. RETENTION AND RECRUITMENT ALLOWANCE

This policy offers provision for a Recruitment and Retention allowance to be applied in exceptional circumstances. Any Recruitment and Retention Allowance will fall within Trust Board agreed parameters and will be confirmed in writing by the Chair of the Trust Board.

Performance Management: Education Quality and Impact Expectations

Principles

- All teachers have a responsibility to improve and refine their quality of teaching regardless of the stage of their career. This is achieved through active engagement with the RT Professional Development Modules.
- All teachers and leaders are responsible for the progress and outcomes of pupils in their academies
- Consistent high quality teaching has the most impact on pupils' progress, achievement and attainment and it is the school leaders' responsibility to ensure that this happens
- There are key features of teaching which make impact and these are the focus for all teachers
- They are responsible for their own development and must seek out improvement, feedback and support to improve
- Lesson observations are only part of quality of teaching judgements. Progress, outcomes and impact over time are the main judgement criteria which, along with performance against objectives, contribute to performance management within the Trust
- Leaders must be excellent practitioners themselves and model high expectations readily and consistently
- All staff including staff early in their careers are role models and leaders of learning for others who are less experienced. Developing and serving others and inspiring confidence is an expectation of the core role

Importantly, all performance management reviews are rooted in the internally published Raedwald Trust Professional Development Modules.
