DUAL PLACEMENT AGREEMENT

Between: _____ and Raedwald Trust.

Placement Start Date _____

Placement will end by: _____

Pupil Name: _____

The support and provision of education for pupils with additional needs requires a partnership approach, with each partner agreeing to certain roles and responsibilities.

Upon receipt of referral, the Raedwald Trust and the Local Authority will determine which pathway will best meet the needs of the pupil. This will be established through:

- Review of Inclusion Referral Form
- Discussions with school staff and/or Family Support services at the Local Authority
- Review of documentation provided at time of referral

If it is determined that a pupil's needs cannot be met in one of our current pathways, a separate agreement may be negotiated (in exceptional cases) by the Local Authority.

For the purposes of this document, "home school" refers to the mainstream setting where the pupil is on-roll. Placement end date is set for the maximum length of time the pupil should be educated at a particular Raedwald Trust site as per pathway expectations. This end date may be brought forward if Raedwald Trust teams feel that an earlier reintegration is appropriate for the child/young person.

The subsequent agreement relates to the pathway identified below.

DPA Pathway Overview

Building Pathway

Purpose: To support pupils to succeed in their current mainstream school placement or a new school following a permanent exclusion.

Overview:

Pupils will have the potential to be successful in mainstream school but need a more intensive and in some cases longer intervention to overcome significant barriers to learning. This pathway may support pupils who have been permanently excluded and are without a school place. Alternatively, it may support pupils who are still on roll with a mainstream school but who are having significant difficulties accessing the school offer. The mainstream school will have exhausted options in Step 1 and 2 of the Graduated Response.

Project Based Curriculum: This 19 week curriculum aims to deliver fundamental knowledge and skills in key areas of literacy and numeracy as well as wider aspects of the national curriculum ensuring statutory entitlements are met. Placements are full-time for 15 - 16 weeks at a Raedwald Trust site followed by 3 - 4 weeks of supported transition back into mainstream education. The curriculum is derived directly from the EYFS profile and the National Curriculum up to the end of the Key Stage 3 National Curriculum. It is designed as a concentric curriculum where learning is revisited to enable progression and long term knowledge acquisition. Subject programmes of study span from EYFS to Year 9 objectives dependent on the age/stage at admission. Units of learning last for up to 3 weeks and are led by a driving question posed to pupils. The curriculum is experiential and each unit has a trip, visitor or experience linked to the unit.

Discreet Curriculum: This 19 week curriculum supports pupils who are emotionally ready to access discreet learning within the curriculum. It is taught through discreet subject teaching at Key Stage 2 or Key Stage 3 as appropriate. It is derived directly from the National Curriculum for Key Stage 2 or 3 respectively and ensures all pupils access their full statutory entitlement. Placements are full-time for 15 - 16 weeks at a Raedwald Trust site followed by 3 - 4 weeks of supported transition back into mainstream education. It is designed as concentric within some subjects (revisited but taught explicitly) or sequential (chunked and taught once for mastery). Conscious decisions about discreet subject delivery have been made to ensure long term knowledge acquisition that are appropriate to the age/stage of development of pupils. Subject programmes of study span from Year 3 to Year 9 objectives dependent on the age/stage at admission.
