The Raedwald Trust are delighted to be offering the following Mental Health First Aid Training.

Mental Health First Aider - 2 day training

This training Provides an in depth understanding of specific mental health issues and is delivered in four manageable chunks: – What is mental health? – Depression and anxiety – Suicide and psychosis – Self-harm and eating disorders. It focuses on the issues faced by young people today, such as cyber bullying and substance misuse, and teaches how to promote protective factors and good parenting.

Completing the two day course qualifies you as a Youth Mental Health First Aider and you will gain;

- An in-depth understanding of young people's mental health and factors that affect wellbeing
- Practical skills to spot triggers and signs of mental ill health
- Confidence to reassure and support a young person in distress
- Enhanced interpersonal skills such as non-judgemental listening
- Knowledge to help a young person recover their health by guiding them to further support
- Ability to support a young person with a long-term mental health issue or disability to thrive
- Tools to look after one's own mental health
