20 April 2021

Dear (Insert student and parent/ carer name),

Following on from our letter about Summer 2021 exams last week we are now in a position to add more detail and share how this is going to work for you at Westbridge.

In May we will be holding a series of tasks to allow your teachers to gather further evidence which will form part of the work to determine the grade you will be awarded in August. The grade will come from the work you complete and have completed so far. The tasks will be based on what you have been taught in that subject.

These tasks are **not** formal tests and will take place in your normal timetabled lessons at school. Students will be invited to complete tasks during May (see timetable below). Your teachers will make sure you know what work is being used as evidence in each subject and when the tasks are to be completed. They will be talking with you to make sure you are clear about this.

There will be a Parents Evening on Wednesday 28th April between 4-6pm to answer any questions. Please don't hesitate to get in touch in the meantime if you would like to talk anything through.

Please see attached timetable of tasks.

Kind regards,

Carey Fish & Nicola Axford

Westbridge Academy
