2. Monitoring and evaluation of the action plan

In order to ensure rapid progress towards these outcomes the actions and KPIs will be monitored in the following way:

a. Academy based monitoring, including Quality of Education Committee

The school based lead for each of the AFDs in the plan will have overall responsibility for the implementation of the action plan for that priority. The lead will RAG the completion of the actions as follows:

- *RED: the action is not yet started and/or there is a high risk of slippage or non-completion.*
- *AMBER: the action has started though not yet completed, there is some slippage but not cause for concern.*
- *GREEN: the action is fully complete as specified*

Completion of the actions is intended to lead to the impact as outlined in the KPIs.

The Head Teacher will RAG rate each area for the CEO.

b. Trust based monitoring

The CEO will receive a progress report on the action. There will be an evaluation of progress towards the success measures of each AFD. On a cycle across each meeting the academy based leads will present the evidence of impact to the Head Teacher for scrutiny by the CEO and Trust Board. The success measures will be communicated to the Quality of Education Committee.
