COMMENCEMENT and PUPIL ENGAGEMENTS

Upon receipt of referral, the Raedwald Trust and Local Authority will determine which pathway will best meet the needs of the pupil. This will be established through:

- Review of the Inclusion Referral Form
- Discussions with previous (PEX) school staff and/or teams within the Local Authority
- Review of documentation provided at time of referral
- Wider discussions with relevant external agencies

Following a review of available information (and if placement is deemed appropriate by both RT and SCC), RT will provide a copy of the Placement Agreement which, once signed and returned to RT by SCC, will place an obligation on SCC to accept the terms of support and place an obligation on RT to supply the support in accordance with the terms of this placement agreement.

If it is determined that a pupil's needs cannot be met in one of our current pathways, a separate agreement may be negotiated (in exceptional cases) by the Local Authority Provider Development Team.

For the purposes of this document, "Partner" refers to the teams within Suffolk County Council (ATS and EAT). Placement end dates are set out in the schedule below for key dates; this shows the maximum length of time the pupil could be educated as per pathway expectations. This end date may be brought forward if/when an appropriate on-roll school is identified for the pupil to transition to.

The subsequent agreement relates to the pathway identified below.

Pathway Overview

Haven Pathway: Strand 2

Purpose: A placement for up to 1 year to support pupils who are without a school roll following permanent exclusion from mainstream education. The placement will support pupils with a primary SEND of Communication and Interaction who have received their first permanent exclusion and, subsequently, the EHCNA process has been started. Pupils will receive targeted 1:1 curriculum support through the Raedwald Trust for 15 hours per week whilst Partners remain accountable and responsible for maintaining oversight of the educational offer. The programme will offer building blocks to help the pupil fill any gaps in learning and support their transition into a new mainstream or specialist school, once identified.

Throughout the placement, Raedwald Trust will place the pupil on the school register, however pupils will remain without a school roll until a new mainstream school is agreed and confirmed. Pupils may access up to 15 hours of learning through the Raedwald Trust but may also access learning provided through the Partner. Raedwald Trust will not hold responsibility for the curriculum delivered whilst the pupil accesses wider Partner provision/services. At 7-week intervals, a meeting between all Placement Agreement stakeholders will be held to discuss pupil presentation, progress and recheck that implementation schedules continue to meet need and remain on track.

Transition arrangements back into full time home school education or on to a new provision will be discussed in line with the pathway calendar detailed below.

Curriculum: This 1 – 3 term curriculum is taught through discreet subject teaching as appropriate. It is derived directly from the National Curriculum for Key Stage 3 and 4. It is designed as a concentric curriculum (revisited but taught explicitly) or sequential (chunked and taught once for mastery) dependent on different subject areas. Conscious decisions about subject delivery have been made to ensure long term knowledge acquisition that is appropriate to the age/stage of development of pupils. Subject programmes of study span from Year 7 to Year 11 objectives dependent on the age/stage at admission. All pupils will access daily, explicitly taught reading lessons. These are delivered using our Raedwald Trust Readers for Life Curriculum.

Due to the nature of a short-term fractional placement, we are not able to offer pupils the full breadth or depth of curriculum coverage across all subjects. Decision making about the curriculum offer will be determined on an individual basis through discussion with the pupil, family and a robust Induction Assessment process. However, as a minimum, pupils will access English, maths, science, PSHE, R.E. and P.E. For pupils in Key Stage 4, additional support for post-16 transition will be incorporated into the PSHE curriculum structure as well as wider consideration about GCSE and vocational qualifications. Conscious decision making about the curriculum is detailed within programmes of study; curriculum sequencing is detailed within subject curriculum overviews. Through Raedwald Trust, curriculum delivery may be through a combination of direct instruction and live online teaching. The curriculum offer may be further enhanced through the Partners who may provide additional therapeutic and/or alternative interventions to support the social, emotional and mental health needs of the pupil.

For pupils who remain with us during GCSE examinations, with agreement from Partners, Raedwald Trust may make exam entries for pupils who can sit exams as external candidates (if without a mainstream school roll). If access arrangements are required, Partners would be responsible for supporting the submission of Form 8 JCQ applications and other relevant exam board applications; access testing costs and responsibilities can be discussed at appropriate review meetings.

The Raedwald Trust agree to:

- Notify the Local Authority of the date of admission of pupil (confirmed by the RT Admissions team) once the educational pathway has been determined.

-
- Work in partnership with Partners to determine use of B, C or D attendance coding while attending a Raedwald Trust site.

 - If appropriate, administer end of key stage examinations as a delegated responsibility of the Partner.

The Education Access Team agree to:

- Ensure a member of staff is allocated to the pupil and contact details are shared with Raedwald Trust and ATS.
- Maintain oversight of the curriculum offer and provide regular feedback to/from associated members of social care, carers, home school and Raedwald Trust.
- Work in partnership with all stakeholders to secure additional provision that would complement/support wider curriculum offer if this is appropriate/beneficial to the pupil.
- Work proactively to secure a new mainstream school roll as quickly as possible for the pupil.
- Attend regular review meetings and maintain regular contact with Raedwald Trust to update on progress with naming of new mainstream school settings or onward specialist provision.

The Alternative Tuition Service agree to:

- Provide Raedwald Trust with name of key worker/key person for referred pupil. ATS will ensure that any member of staff is able to provide DBS information and photo ID for verification upon visit to Raedwald Trust site.
- Complete and return weekly reports to update Raedwald Trust site on progress and achievement whilst accessing ATS provision (if this is in place).
- Maintain responsibility for registering and administering any standardised assessments throughout the duration of the pupil placement. If appropriate, ATS may delegate responsibility for exams administration to the RT site.
- Attend and host placement review meetings that are required per individual pathway outline.
- Engage in any follow-up feedback/data collection requested by Raedwald Trust following the end of a pupil placement.
- Make arrangements for pupils to sit exams and work in collaboration with Raedwald Trust to determine examination entries to secure aspirational and ambitious qualifications for all pupils. If access arrangements and testing is required, this will be discussed as an additional costing to the placement.
