DUAL PLACEMENT AGREEMENT

Between: _____ and Raedwald Trust

Date Placement Agreed (z code):

Date Placement Starts (pupil on-site):

Placement End Date:

Pupil Name:

The support and provision of education for pupils with additional needs requires a partnership approach, with each partner agreeing to certain roles and responsibilities.

Upon receipt of referral, the Raedwald Trust and the Local Authority will determine whether the referral is appropriate for allocation onto the Springboard Pathway. This will be established through:

- Review of Inclusion Referral Form
- Discussions with school staff and/or Family Support services at the Local Authority
- Review of documentation provided at time of referral
- An in-school observation of the pupil, carried out by a member of Raedwald Trust staff

If it is determined that a pupil's needs cannot be met on the Springboard Pathway, a separate agreement may be negotiated (in exceptional cases) by the Local Authority.

For the purposes of this document, "home school" refers to the mainstream setting where the pupil is on-roll. Placement end date is set for the maximum length of time the pupil should be educated at a particular Raedwald Trust site as per the pathway expectation. This end date may be brought forward if Raedwald Trust teams feel that an earlier reintegration is appropriate for the child/young person.

The subsequent agreement relates to the pathway identified below.

DPA Pathway Overview

Springboard Pathway

Purpose: To support pupils to succeed in their current mainstream school placement. Pupil placement will be 3 days per week at a Raedwald Trust site and 2 days per week with the home school, for the first 12 weeks. This will be followed by 2 days per week at a Raedwald Trust site and 3 days per week with the home school, for a further 7 weeks. The pupil will initially be attending for at least 2 hours a day on their 2 days at the home school. This time will increase throughout the placement so that the pupil is attending 2 whole days by week 7. This will prepare them for attending 3 whole days from week 13.

Overview:

A short, early intervention for a pupil who is attending a mainstream school and has the potential to be successful but needs an intensive short-term intervention to enable this. School will already have completed Step 1 & 2 of the Graduated Response, including consultation with the Local Authority and accessing specialist services where appropriate.

Curriculum: Across EYFS and Key Stage 1, this 19-week curriculum aims to deliver fundamental knowledge and skills in key areas of literacy and numeracy through a 3/2-day Raedwald Trust placement. The curriculum is derived directly from the EYFS profile and the National Curriculum up to the end of Key Stage 1. It is designed as a concentric curriculum where learning is revisited to enable progression and long-term knowledge acquisition. Subject specific programmes of study span from EYFS to Year 2 objectives dependent on the age/stage at admission. Units of learning are led by a focus text and driving question posed to pupils. The curriculum is experiential and each unit has a trip, visitor or experience linked to the unit. As well as key areas of literacy and numeracy, pupils will also engage in targeted sessions to support their personal, social and emotional development using the Thrive approach.

The curriculum will deliver specific areas within English, Maths, Science, Art & Design, PE, PSHE and RSE. These subjects will not be covered in their entirety through The Raedwald Trust placement, and the home school therefore retains responsibility for teaching all areas not covered. The Curriculum does not cover History, Geography, Design and Technology, RE, Music or Computing. The home school retains responsibility for delivering these subjects in their entirety.

Please visit www.Raedwaldtrust.com where you will be able to access the curriculum overview, timetable, subject specific programmes of study and subject policies to ensure you are fully informed about the areas of the National curriculum taught and those which the home school will retain responsibility for delivering. It remains the responsibility of the mainstream setting to ensure that their pupil is receiving statutory entitlement.
