

Our bespoke attendance programme aims to increase attendance at your school.

The **Connect** programme offers mainstream schools an attendance package which can include:

- » Morning registration and period 1 soft starts for students who need that little extra support to manage their day;
- » 1:1 and small group teaching for students who are regularly absent from school;
- » Bespoke reintegration support for non-attenders;
- » Bespoke interventions to address school avoidance;
- » English and maths catch up lessons;
- » Transition support to support home to school;
- » Online lessons;
- » Home visits.

Our Connect Units

The **Connect** unit is a physical base in a mainstream school, which acts as a safe space for students who find attendance to school a challenge.

Here, your students are given specialist academic, pastoral and emotional support to help manage the rigours of the school day.

Your **Connect** unit can be tailored to meet the needs of your school but aims to serve as a hub for academic and pastoral support for students who are regularly absent from school.

We work with mainstream schools to create an offer which incorporates access, for students and families, to an on-site specialist **Connect** team, as well as safeguarding and pastoral teams within your school community.

Our **Connect** programme is successfully operating in mainstream education. **Connect** works alongside academic, pastoral and health professionals to remove the barriers to school attendance.

Connect packages available to purchase:

Connect 1

You can commission Raedwald Trust to support your school with the planning phase. This can include: analysis of attendance; student profiling; cohort planning; assessment of identified students' needs; curriculum design; intervention planning; monitoring and assessment; staffing structure; quality assurance and staff training. Under **Connect 1**, schools can commission any number of days of support – charged at a daily rate.

Connect 2

This offer includes all of **Connect 1** as well as a Raedwald Trust staff team to support and model the running of the unit for 1 term.

Connect 3

This offer includes all of **Connect 1** as well as a Raedwald Trust staff team to support and model the running of the unit for 1 term.
